## St. Mark's Students Participate in OWlympiad

Several students from St. Mark's High School participated in the "OWlympiad", a math competition at Temple University in Philadelphia. RH students Amy Gao and Rex Zhu were part of the team. There were three rounds of competition and Amy placed first in the second round. The day consisted of problem solving and excellent math conversations. Congratulations to Amy and her teammates!

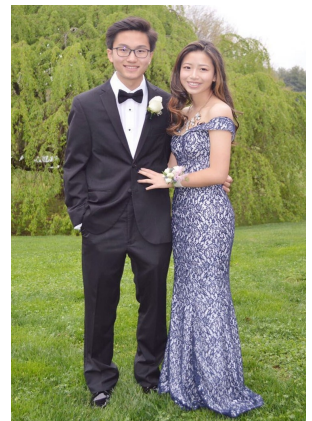

## Scenes from Kalahari Waterpark

On May 20, two dozen RH students and their friends joined RH President, Jerry Xiao for a Graduation Celebration at Kalahari Waterpark in the Poconos. This is the largest waterpark in the U.S. The overnight adventure included two days at the waterpark, a buffet dinner, and a Graduation ceremony complete with awards and cake. The arcade and other activities gave everyone a chance to dry off a little before making a final splash!

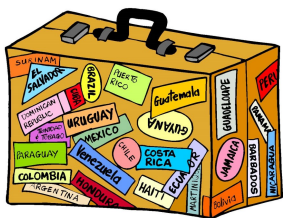

## Spring is for Proms, too...

April, May, and June are full of corsages, boutonnieres, formal wear, and fun! Here are a few photos of RH students at The Prom! From left to right: Allen Wu and his guest at THS. Nancy Wang at Red Lion- before her date arrived. Tommy Zu invited Youni Liu (York Catholic) to his THS prom.

## End of School Year Preparations

Graduating seniors must remove *all their belongings* from the host family's home before leaving for summer break. Host Families are not responsible to store items over the summer and ship them to the student in college.

Unwanted items should be disposed of or donated to charity by the student and not left for the Host Family to discard.

Do you know of someone interested in becoming a Host Family? RH offers a \$100 referral bonus when a student is placed with a host that you've referred to us. Spread the word!
