## International Students Orientation

On Friday, August 24, 2012, the New International Students Orientation was held at St. Mark's High School. Clarice Kwasniewski, Admissions Director at St. Mark's High School welcomed 16 new international students from China and Korea.

The students were given a tour of the school campus. They received access to all the classrooms, auditorium, and gymnasium. The students were also tested in English throughout the tour. Several of the par-

ents also attended the orientation with their children to learn more about the St. Mark's community.

The students were also warmly welcomed by their Homestay families. The parents were very proud to see their young children embark on a new journey in the United States.
