

# Renas Hall International Program at Saint Mark's High School

Volume 2, Issue 1, January 2013

## The Annual Appreciation Dinner

Host Families, Teachers, Students, and Staff enjoy dinner at the Hibachi Grill and Sushi Buffet Restaurant on Kirkwood Highway in Wilmington Delaware. This event is dedicated to the Homestay parents and St. Mark's faculty who so willingly help the students. Everyone enjoyed great food and a wonderful ambience. It was a great opportunity for the families, faculty, and staff to come together and enjoy a time a warm fellowship, great food, and loads of fun.

The Home-stay parents are an integral part of the International Program. The Hosts open their hearts and homes by welcoming the students while they study in Delaware. The students are invited to become members of their families. The St. Mark's faculty offers high-standards of education, and presents students with an opportunity become part of their student body. We are so grateful to have such amazingly dedicated parents and overwhelmingly supportive staff. Thank you!

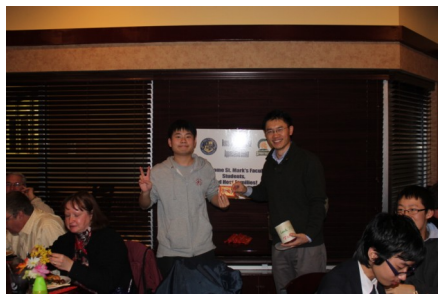

The Riley Family had a fun night
