Great Wolf Lodge Water Park

On Friday February 1, 18 of our Chinese students and 5 chaperone boarded a bus to Poconos Pennsylvania. It was a cold and snowy day, but the children were anxious to take the 3 hour trip to the Great Wolf Lodge. When we arrived, the students couldn't wait to get off the bus and into their swim suits. The lodge was a sight to see, it was filled with forest animals, restaurants, gift shops, arcade room, bowling alleys, and the entrance to the indoor water park. As soon as the students checked into their rooms, they eagerly put on their swimsuits and heading for the park. Upon entering the park the students were shocked by the impressive layout and the warm temperature of 84 degrees. The students bypassed the pools and head straight for the big water slides. The student happily waited in line as they climbed the stairs to the tallest water slide in the park. All the students had a blast and really enjoy the fun environment of the water park. They look forward to going back again!

The students eagerly wait to check into their rooms

The water park was filled with fun activities!
